Highlights Card Type: Credit card (not major network like Visa/Mastercard) Annual Fee: None Maximum Late Fee: \$39 Maximum Overlimit: N/A Sign-Up Bonus: None Rewards: None Redemption: N/A Foreign Transaction Fees: N/A Balance Transfer Fee: N/A Cash Advance APR: N/A Cash Advance Fee: N/A Smart Chip: Y Why We Like the Synchrony Car Care Credit Card The Synchrony Car Care credit card has a few benefits that make it worth considering. No annual fee – Many credit cards will charge an annual fee but you can use this card without paying for the privilege. Use at almost any gas station – You can use the card at more than 200,000 gas stations across the United States. Promotional financing – Get six months of 0% APR financing for purchases over \$199. Build credit – The card is a real credit card that you can use to build your credit but does not require the excellent credit that many premium credit cards require. Discounts and rebates – Synchrony occasionally offers discounts and rebates on car-related purchases. What Could Be Improved With the Synchrony Car Care Credit Card The Synchrony Car Care credit card has some drawbacks to keep in mind. No rewards – There are lots of rewards credit cards out there and many offer bonus rewards when you use them at gas stations. This card offers no cash back or other rewards. Only for use for gas and auto parts – The card isn't part of a major network like Visa or Mastercard. Instead, it functions like a store credit card and is designed for use at gas stations and auto parts stores around the country. Deferred-interest financing – The 0% APR financing for purchases over \$199 is actually a deferred interest deal. If you don't pay the balance in full before the period ends, Synchrony will charge all the interest that would have accrued from the time you made the purchase. Features and Benefits The Synchrony Car Care credit card has a few features to be aware of. Accepted at more than 700,000 merchants Unlike a credit card on a major network like Visa or Mastercard, the Synchrony Car Care credit card is not part of a major payment network. Instead, it works more like a store credit card. Still, you can use the card at more than 700,000 merchants across the United States. On top of the more than 200,000 gas stations that accept the card, you can use the card at retailers that sell car-related items including Toyota, 7-Eleven, and MyTireShop.com. Promotional financing If you make a purchase larger than \$199 using your Synchrony Car Care credit card, you can get a promotional financing deal. Synchrony will charge no interest for six months from the time you make the purchase. If you pay the balance in full before the promotional period ends, you'll pay no interest. The danger is that the promotional deal is for deferred-interest financing. If you don't pay for the full amount of the purchase within six months, Synchrony will add all of the interest it would have charged to your credit card's balance. Discounts and rebates Synchrony gives cardholders access to exclusive discounts and rebates on auto parts. You can use these discounts to save money on car repairs, maintenance, and parts. Terms and Fees The Synchrony Car Care credit card is relatively simple when it comes to costs. There is no annual fee for the credit card so you can open an account without having to pay any upfront or ongoing costs. As a store credit card, you can't do things like take cash advances from the card, so the primary costs you have to worry about are late payment fees and interest charges. You'll pay \$39 for late payments and \$28 for returned payments. Unfortunately, the card has a very high interest rate, charging 29.99% APR.
